

ASBC Board of Directors expresses our thanks to all the 2009 volunteers who spent their time contributing and supporting the ASBC community. Look for our volunteers to be featured monthly! We are very grateful for their service.

## **January**

**Allison Fostveit** resides in Longmont, Colorado with her husband of ten years and their two kids, ages six and five. Her youngest was diagnosed as being on the autism spectrum in February of 2007. She enjoys running, reading, free time with her husband, going out for coffee with her girlfriends, and her kids' artwork. Allison has volunteered her time to help ASBC with updating our Resource Directory, compiling data from our conference, and general office work that helps keep ASBC running smoothly. ASBC thanks you for your time and looks forward to you continued support in 2009!
